

GENERAL AVERAGE AND THE NEW JASON CLAUSE

The Charterers shall procure that all Bills of Lading issued under this Charter Party shall contain the following clauses:

General average shall be payable according to the York/Antwerp Rules 1974 or any amendment thereto, and the following clause shall apply:

NEW JASON CLAUSE

In the event of accident, danger, damage or disaster before or after the commencement of the voyage, resulting from any cause whatsoever whether due to negligence or not, for which or for the consequence of which the carrier is not responsible by statute, contract or otherwise, the goods, Shippers, Consignees or the Owners of the goods shall contribute with the carrier in general average to the payment of any sacrifices, losses or expenses of a general average nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the goods.

If a salving ship is owned or operated by the carrier, salvage shall be paid for as fully as if the said salving ship or ships belonged to strangers. Such deposit as the carrier or his agents may deem sufficient to cover the estimated contribution of the goods and any salvage and special charges thereon shall, if required, be made by the goods, Shippers, Consignees or the Owners of the goods to the carrier before delivery.

BOTH TO BLAME COLLISION CLAUSE

If the ship comes into collision with another ship as a result of the negligence of the other ship and any act, neglect or default of the Master, Mariner, Pilot or the servants of the carrier in the navigation or in the management of the ship, the Owners of the goods carried hereunder will indemnify the carrier against all loss or liability to the other or non-carrying ship or her Owners in so far as such loss or liability represents loss, or damage to, or any claim whatsoever of the Owners of the said goods, paid or payable by the other or non-carrying ship or her owners to the Owners of the said goods and set off, recouped or recovered by the other or non-carrying ship or the Owners as part of their claim against the carrying ship or carrier.

The foregoing provisions shall also apply where the Owners, operators or those in charge of any ship or objects other than, or in addition to, the colliding ships or objects are at fault in respect to a collision or contract.

And the Charterers shall procure that all Bills of Lading issued under this Charter Party shall contain the same clause.

GENERAL PARAMOUNT CLAUSE

The Hague rules contained in the International Convention for the Unification of certain rules relating to Bills of Lading dated Brussels the 25th August 1924 as enacted in the country of shipment, shall apply to this contract. When no such enactment is in force in the country of shipment, the corresponding legislation of the country of destination shall apply, but in the respect of shipments to which no such enactments are compulsorily applicable, the terms of the said Convention shall apply.

Trades Where Hague-Visby Rules apply.

In trades where the International Brussels Convention 1924 as amended by the Protocol signed at Brussels on February the 23rd 1968 – the Hague-Visby Rules- apply either by statute or contract, the provisions of the respective legislation shall be considered incorporated in this Bill of Lading. The Carrier takes all reservations possible under such applicable legislation, relating to the period before loading and after discharging and while the goods are in the charge of another carrier, and to deck cargo and live animals.

ISPS/MTSA CLAUSE

(a)(i) The Owners shall comply with the requirements of the International Code for the Security of Ships and of Port Facilities and the relevant amendments to Chapter XI of SOLAS (ISPS Code) relating to the Vessel and “the Company” (as defined by the ISPS Code). If trading to or from the United States or passing through United States waters, the Owners shall also comply with the requirements of the US Maritime Transportation Security Act 2002 (MTSA) relating to the Vessel and the “Owner” (as defined by the MTSA).

(ii) Upon request the Owners shall provide the Charterers with a copy of the relevant International Ship Security Certificate (or the Interim International Ship Security Certificate) and the full style contact details of the Company Security Officer (CSO).

(b)(i) The Charterers shall provide the Owners and the Master with their full style contact details and, upon request, any other information the Owners require to comply with the ISPS Code/MTSA. All measures required by the Owners to comply with the Ship Security Plan shall be for the Owners' account.

(d) If either party makes any payment which is for the other party's account according to this Clause, the other party shall indemnify the paying party.

- (b) The Charterers assume liability for and shall indemnify, defend and hold harmless the Owners against any loss and/or damage whatsoever (including consequential loss and/or damage) and/or any expenses, fines, penalties and all other claims of whatsoever nature, including but not limited to legal costs, arising from the Charterers' failure to comply with any of the provisions of sub-clause (a). Should such failure result in any delay then, notwithstanding any provision in this Charter Party to the contrary, the Vessel shall remain on hire.
- (c) If the Charterers' ICB is used to meet any penalties, duties, taxes or other charges which are solely the responsibility of the Owners, the Owners shall promptly reimburse the Charterers for those amounts.
- (d) The assumption of the role of carrier by the Charterers pursuant to this Clause and for the purpose of the US Customs Regulations (19 CFR 4.7) shall be without prejudice to the identity of carrier under any bill of lading, other contract, law or regulation.

BUNKER FUEL SULPHUR CONTENT CLAUSE

- (a) Without prejudice to anything else contained in this Charter Party, the Charterers shall supply fuels of such specifications and grades to permit the Vessel, at all times, to comply with the maximum sulphur content requirements of any emission control zone when the Vessel is ordered to trade within that zone.

The Charterers also warrant that any bunker suppliers, bunker craft operators and bunker surveyors used by the Charterers to supply such fuels shall comply with Regulations 14 and 18 of MARPOL Annex VI, including the Guidelines in respect of sampling and the provision of bunker delivery notes.

The Charterers shall indemnify, defend and hold harmless the Owners in respect of any loss, liability, delay, fines, costs or expenses arising or resulting from the Charterers' failure to comply with this Sub-clause (a).

(b) Provided always that the Charterers have fulfilled their obligations in respect of the supply of fuels in accordance with Sub-clause (a), the Owners warrant that:

(i) the Vessel shall comply with Regulations 14 and 18 of MARPOL Annex VI and with the requirements of any emission control zone; and

(ii) the Vessel shall be able to consume fuels of the required sulphur content when ordered by the Charterers to trade within any such zone.

Subject to having supplied the Vessel with fuels in accordance with Sub-clause (a), the Charterers shall not otherwise be liable for any loss, delay, fines, costs or expenses arising or resulting from the Vessel's failure to comply with Regulations 14 and 18 of MARPOL Annex VI.

It is expressly agreed that, Charterers and Owners shall cooperate in advanced planning of bunker replenishment in order to segregate fuels which may be ordered by Charterers specifically for the purpose of steaming in SECA.

SECA:Special Emission Control Area

(c) For the purpose of this Clause, "emission control zone" shall mean zones as stipulated in MARPOL Annex VI and/or zones regulated by regional and/or national authorities such as, but not limited to, the EU and the US Environmental Protection Agency.

CONWARTIME 2004

(a) For the purpose of this Clause, the words:

(i) "Owners" shall include the shipowners, bareboat charterers, disponent owners, managers or other operators who are charged with the management of the Vessel, and the Master; and

(ii) "War Risks" shall include any actual, threatened or reported: war; act of war; civil war; hostilities; revolution; rebellion; civil commotion; warlike operations; laying of mines; acts of piracy; acts of terrorists; acts of hostility or malicious damage; blockades (whether imposed against all vessels or imposed selectively against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever); by any person, body, terrorist or political group, or the Government of any state whatsoever, which, in the reasonable judgment of the Master and/or the Owners, may be dangerous or are likely to be or to become dangerous to the Vessel, her cargo, crew or other persons on board the Vessel.

(b) The Vessel, unless the written consent of the Owners be first obtained, shall not be ordered to or required to continue to or through, any port, place, area or zone (whether of land or sea), or any

waterway or canal, where it appears that the Vessel, her cargo, crew or other persons on board the Vessel, in the reasonable judgment of the Master and/or the Owners, may be, or are likely to be, exposed to War Risks. Should the Vessel be within any such place as aforesaid, which only becomes dangerous, or is likely to be or to become dangerous, after her entry into it, she shall be at liberty to leave it.

(c) The Vessel shall not be required to load contraband cargo, or to pass through any blockade, whether such blockade be imposed on all vessels, or is imposed selectively in any way whatsoever against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever, or to proceed to an area where she shall be subject, or is likely to be subject to a belligerents' right of search and/or confiscation.

(d) (i) The Owners may effect war risks insurance in respect of the Hull and Machinery of the Vessel and their other interests (including, but not limited to, loss of earnings and detention, the crew and their protection and Indemnity Risks), and the premiums and/or calls therefore shall be for their account.

(ii) If the Underwriters of such insurance should require payment of premiums and/or calls because, pursuant to the Charterers' orders, the Vessel is within, or is due to enter and remain within, or pass through any area or areas which are specified by such Underwriters as being subject to additional premiums because of War Risks, then the actual premiums and/or calls paid shall be reimbursed by the Charterers to the Owners at the same time as the next payment of hire is due, or upon redelivery, whichever occurs first.

(e) If the Owners become liable under the terms of employment to pay to the crew any bonus or additional wages in respect of sailing into an area which is dangerous in the manner defined by the said terms, then the actual bonus or additional wages paid shall be reimbursed to the Owners by the Charterers at the same time as the next payment of hire is due, or upon redelivery, whichever occurs first.

(f) The Vessel shall have liberty:-

(i) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes, sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery, or in any other way whatsoever, which are given by the Government of the Nation under whose flag the Vessel sails, or other Government to whose laws the Owners are subject, or any other Government, body or group whatsoever acting with the power to compel compliance with their orders or directions;

LL

and

(ii) to comply with the order, directions or recommendations of any war risks underwriters who have the authority to give the same under the terms of the war risks insurance;

(iii) to comply with the terms of any resolution of the Security Council of the United Nations, the effective orders of any other Supranational body which has the right to issue and give the same, and with national laws aimed at enforcing the same to which the Owners are subject, and to obey the orders and directions of those who are charged with their enforcement;

(iv) to discharge at any other port any cargo or part thereof which may render the Vessel liable to confiscation as a contraband carrier;

(v) to call at any other port to change the crew or any part thereof or other persons on board the Vessel when there is reason to believe that they may be subject to internment, imprisonment or other sanctions.

(g) If in accordance with their rights under the foregoing provisions of this Clause, the Owners shall refuse to proceed to the loading or discharging ports, or any one or more of them, they shall immediately inform the Charterers. No cargo shall be discharged at any alternative port without first giving the Charterers notice of the Owners' intention to do so and requesting them to nominate a safe port for such discharge. Failing such nomination by the Charterers within 48 hours of the receipt of such notice and request, the Owners may discharge the cargo at any safe port of their own choice.

(h) If in compliance with any of the provisions of sub-clauses (b) to (g) of this Clause anything is done or not done, such shall not be deemed a deviation, but shall be considered as due fulfillment of this Charter Party.
